## **School Sport ACT Upcoming Regional Events**

With the official announcement that the ACT lockdown is to be extended until at least 15 October and remote learning to continue for students P-10 until at least the start of Week 5, and perhaps with a staggered return, School Sport ACT has made the decision to cancel all events scheduled to take place in Term 4.

We are not looking to make further postponements due to there not being sufficient time left in the term, and if students do return to school based learning in Week 5 and 6, we anticipate schools will be busy with catching up on missed activities and assessment.

Cancelled SSACT events include:

- All four Secondary Netball events
- Secondary Football Finals
- Secondary Girls Softball
- All 4 Primary Regional Track and Field events
- Both Secondary Regional Track and Field events
- The 12&U and 13&O ACT Track and Field Championships

We will now further investigate the delivery of a Virtual Track and Field opportunity, similarly to last year's Virtual Cross Country, it will be a school based decision to participate, and if interested, schools will need to complete the AACT entry sheet with qualifiers results that was provided via email. An ACT Champion will not be announced for each event, most likely the top 10 of each event shared so students can see how they would have fared this year. More information of this to come by the end of the school holidays/beginning of Term 4.

**For information regarding SSO/Community conducted Term 4 events please keep an eye on the online Calendar on the SSACT website. We will be making amendments to that as information is provided to us.**
