Athletics ACT

Secondary Representative Track and Field – Speciality Events

As you may be aware, School Sport ACT, does not select a Secondary State Track and Field team as there is no Secondary School Sport Australia Championship. Athletics Australia conducts the Australian All Schools T&F Championships for Secondary aged students, 9 – 11 December, South Australia. Athletics ACT, our delivery partner, select a team from our SSACT 13&O ACT Championship and from local meets. SSACT cannot fit all events into its ACT Champs Program, so for students who are seeking selection in the speciality events of 3km, 5k, 5k Walk, Sprint Hurdles, Pole Vault, Steeplechase, Long Hurdles and Hammer, they will need to enter an Athletics ACT Winter Series event – there are two in September that cater to specific events and are open to non-member participants seeking selection.

The details to the Winter Series Events can be found on the Track and Field page of the SSACT website <https://schoolsportact.org.au/sports/track-and-field/>

To enter students will need to go to the Athletics ACT page, soon the September events will appear in the Upcoming Events section, they will click on the specific event 'Read More' and within that information there will be an entry form to download and complete. **They do not need to register or pay a fee online, simply bring the form at least 45 minutes before the event at the meet and submit it to the Admin Room at the AIS.**

Mountain Biking ACT

After a Covid induced hiatus CORC is pleased to host the **2022 ACT Schools Mountain Bike Championships**. This is one of the largest Schools Cycling Events in Australia with schools from in and around the ACT representing.

ACT Schools Champs is a team relay format mountain bike race for school kids in years six through to twelve. Teams of 3-4 kids in years 6-8, 9-10 and 11-12. Schools from NSW and beyond are more than welcome.

Cost: \$25pp.

Where: Stromlo Forest Park, Dave McInnes Road, Canberra ACT

When: Friday 26th August 2022

The race promotes having fun on bikes and will be a great day out with your mates!

Watch for more information at <https://corc.asn.au> or <https://www.facebook.com/CORC.social/> and registration details in the coming weeks. The [Event home page](#) contains last year's details and will be updated shortly.

If you have moved school from last year, or you are no longer the sports or MTB coordinator, please let us know so we can update our email list.
