Community Sport Programs and Opportunities

Education Directorate

The Supporting Students with Disability and the Physically Included Networks are providing several key professional learning events available to schools to engage with this year.

The first is a professional learning series with a focus on the Universal Design for Learning framework providing participants with the opportunities to

- build knowledge on best practice in inclusive education
- develop and understand the framework
- explore opportunities to remove barriers and provide genuine learning opportunities for all
- develop ongoing professional relationships with colleagues working in Inclusive Education.

Remaining sessions of the series include

- Session 2: Monday 8 May, 3:30-5pm, Venue - HBCTL
- Session 3: Monday 31 July, 3:30-5pm, Venue - TBA
- Session 4: Monday 23 October, 3:30-5pm, Venue – HBCTL

ACHPER

The Education Directorate is working with ACHPER to facilitate a TQI accredited PL on the key changes of the Australian Curriculum.

Join us to explore the key changes in the revised Australian Curriculum: Health and Physical Education v9.0, released in April 2022.

Designed for ACT teachers, this series of sessions will cover:

- Curriculum changes and considerations for practice
- Sexuality, consent and respectful relationships education
- Reimagining physical education to engage all students
- Reviewing and revising current programs and assessment plans.

This will be a three-part event:

Session 1: full day, face-to-face workshop

- Key content changes related to respectful relationships and consent education and implications for teaching practices
- Best practice research on teaching PE in order to engage all students and reduce physical inactivity among students
- Introduction to backward mapping programming process for unit design
- Designing teaching and learning sequences.

Session 2: Collaborative programming workshop – live online

- Refining planned teaching and learning activities using the UDL framework to ensure inclusion.

Session 3: Collaborative programming workshop – live online

- Assessment judgements based on observations and artefacts collected during the teaching and learning process.
