Canberra Off-Road Cyclists (CORC) and Auscycling – ACT Schools Mountain Bike Championships

The 2023 ACT Schools Mountain Bike Championships, brought to you by Canberra Off-Road Cyclists (CORC) and Auscycling, will be held on Friday 1 September. *Please note this is one week later than we originally announced.*

The event aims to promote having fun on a bike through a team-based relay event. The event is open to students in years 6-12, from the ACT and interstate. The race is a 4-hour relay for teams of 3 or 4, in Junior (Yr 6-8), Senior (9-10), College (11-12) by male, female and mixed categories. We are expecting over 600 riders, with about half coming from outside the ACT.

Cost: \$25pp.

Where: Stromlo Forest Park, Dave McInnes Road, Canberra ACT

When: Friday 1st September 2023

CORC is committed to the development of mountain biking at all levels. This is the 22nd running of this event. It is a great day out for riders and teachers and other supporters. Please put the event in your calendars, start organising your school's participation and look out for further information in the coming weeks. Enquiries: actschools@corc.asn.au

ACHPER

The Education Directorate is working with ACHPER to facilitate a TQI accredited PL on the key changes of the Australian Curriculum.

Join us to explore the key changes in the revised Australian Curriculum: Health and Physical Education v9.0, released in April 2022.

Designed for ACT teachers, this series of sessions will cover:

- Curriculum changes and considerations for practice
- Sexuality, consent and respectful relationships education
- Reimagining physical education to engage all students
- Reviewing and revising current programs and assessment plans.

This will be a three-part event:

Session 1: full day, face-to-face workshop

- Key content changes related to respectful relationships and consent education and implications for teaching practices
- Best practice research on teaching PE in order to engage all students and reduce physical inactivity among students
- Introduction to backward mapping programming process for unit design
- Designing teaching and learning sequences.

Session 2: Collaborative programming workshop – live online

- Refining planned teaching and learning activities using the UDL framework to ensure inclusion.

Session 3: Collaborative programming workshop – live online

- Assessment judgements based on observations and artefacts collected during the teaching and learning process.

Details

- **Session 2:** 2nd May 2023, 2-4.30pm – live online
- **Session 3:** 30th May 2023, 2-4.30pm – live online
