## School Sport ACT Team Trials

### SSACT 12&U Track and Field

With the Regional Track and Field Program concluding this week and the 12&U ACT Track and Field Championships on the 12th September, the 12&U Track and Field State Team portal is now open to Expressions of Interest to all students who wish to be considered for selection to compete at the School Sport Australia Championships in Launceston, 24 - 28 November.

We ask that registration occurs leading up to and just after the Championship itself as the selection process starts on the day, based on results. The portal will close to registrations on the 16th September and selections finalised by the 18th September. Please enter events of interest in the Positional Preference field.

A user guide on how to register can be found in the Resources section of the website, write the word 'guide' in the search field.

Please note that this is not for the 13&O age group wishing to be selected to attend Athletics Australia All Schools Championships in December - this team is selected by Athletics ACT, with the SSACT 13&O ACT Track and Field Championships utilised as one mechanism for selection.

**All interested students must be registered for trials/team selection via the relevant sport team on the School Sport ACT website:**
