Professional Development Opportunity ACHPER - Meet The Future Event

The event purpose is to connect former and current **high performing** local teachers with Year 2 and Year 4 UC HPE students. Concerningly many of our Year 2 students are failing and I see this as an opportunity to link them with our local teachers. This will be an informal social event to celebrate the good things about teaching HPE and to support those students we risk losing to our profession.

The event will take place on Wednesday 26th June in the War Memorial Hall at Canberra Grammar School. The program for the evening will consist of:

5:00-6:00pm

- Tea, coffee and biscuits on arrival.

- A simple award ceremony where high achieving 4th Year students receive an ACHPER Award (framed certificate) for embracing how contemporary physical education should be taught in our context, as "the process of gaining knowledge, skills and attitudes mainly through physical activity" (Australian Capital Territory Government Education, 2017, p. 5).

- 'Speed-dating' where UC students meet and learn about HPE teaching from teachers/former teachers.

6:00-7:00pm

- Social team games with Emma Potter, CGS Head of Primary School Physical Education and K-2 Sport and her staff.

If you are interested in the event please RSVP to John Williams at John.Williams@canberra.edu.au

Tenpin Bowling Australia

Tenpin Bowling Australia has introduced the Virtual Tenpin Schools Championship for schools, an initiative designed to engage more students to the sport of tenpin bowling. Open to all primary, secondary and disability schools across Australia, this competition offers a fun and inclusive nationwide competition in Term one and two. The competition runs from March 11 through to June 28, allowing schools to compete in individual, doubles, and school-wide categories (the school that knocks down the most pins at their local bowling centre).

Register Your School: The registration fee is \$50 per school, granting unlimited participation throughout the competition period. Note: This fee is separate from any extra fees charged by bowling centres for lane use. After registering, connect with your nearest bowling centre to schedule your bowling sessions.

School Registration Form - [Virtual Schools Tenpin Championship \(jotform.com\)](https://www.tenpin.org.au/virtual-schools-tenpin-championship-jotform.com)

Compete and Submit Scores: Capture a photo of your scores and email them to play@tenpin.org.au. Include your school name in the submission to see your scores updated on the national leaderboard.

Prizes: Winning schools and individuals will receive prizes, including portable Tenpin Bowling kits, enhancing your school's sports equipment.

Flexible Participation: Schools can bowl at their convenience, allowing for easy integration into physical education programs or after-school activities.
