SC-ORE is for teams of 2 girls and 2 boys. Teams can register incrementally - that is, register your child, then encourage friends to sign up. Not all team members need to sign up at the same time. If your team is a member short, organisers will try to find a "spare" to complete your team. Parents and carers are responsible for completing their child/children's entries online. There is no expectation on schools or teachers to organise any aspect of students' attendance. Parents or responsible guardians have duty of care including the responsibility to bring the children to and from the venues.
